

MEETING OF MIDWIFERY SUBGROUP UNDER RMNCH TECHNICAL WORKING GROUP

Ministry of NHR&C established a Sub-Working Group on Midwifery under the Technical working group of RMNCAH&N for coordination and planning of various activities regarding midwifery profession at National level. This platform is for taking all the stakeholders on board before finalizing strategies and plans for the effective role of midwives. The meeting of Midwifery Sub group under RMNCH Technical working group was held on 20th June 2023 at the Committee room of M/o NHR&C under the chairpersonship of Director General, Population, M/o NHR&C, Islamabad. The participants discussed Continuous Professional Development (CPD) Plan for midwifery tutors; and Career Pathway, scope of work for midwives in Pakistan taking into account the recommendations made in the strategic framework document which was prepared with support from UNFPA. UNFPA will prepare a working paper on nomenclature for midwives and share it with the M/o NHR&C for onward notification to provinces and all other stakeholders.
